

## **Stata testing**

Python for fun:

Load some data

```
sysuse auto
```

```
no; dataset in memory has changed since last saved  
r(4);
```

```
end of do-file  
r(4);
```

Do a t-test

```
no; dataset in memory has changed since last saved  
r(4);
```

```
. ttest mpg, by(foreign)  
variable mpg not found  
r(111);
```

```
end of do-file  
r(111);
```
